

Oak Park Kindergarten 2023 Orientation Schedule

MEYM will email families a link towards the end of the year to book in for an individual interview meeting with one of your child's teachers to discuss your child and answer any questions that you may have. If possible, please bring your Kinder child to interview as it forms part of their orientation. At interview your teacher will advise you which sub group your child is in and your child will attend in their subgroup on the days/times as below. We will then commence our staggered entry program.

Children who have not yet turned 3 years of age at the start of the kinder – parents will be emailed a link to book in for individual interview and we encourage your child to attend Orientation Session 1 only with your child which is a meet and greet session. These children will be unable to commence in the program until on or after their 3rd birthday. The teacher will work out an individualised orientation plan for these children to attend with a parent, the week leading up to their birthday and will be in touch then.

Important: Remember to bring your child with you to interview along with the completed "Getting to know your child form" which can be downloaded from our website www.meym.org.au, plus your child's up to date Immunisation History Statement, Medical Action Plan if applicable and child photo.
